- Grafton Trailer Hire
- Purple Haze Espresso Bar
- Smith’s Auto Performance

Wear Orange Wednesday - WOW Day
Today we are wearing orange for WOW Day as a day of recognition and appreciation for the dedicated work of State Emergency Service (SES) volunteers. There are 40,000 SES volunteers across Australia who each year collectively provide around a million hours of their time to help communities in times of natural disasters and emergencies.

From students and staff at Nymboida Public School - THANK YOU!

Remembrance Day
Thank you to Erik Burt and his family who attended the Remembrance Day service in Grafton on behalf of our school. Erik laid a wreath during the ceremony. At school we talked about the significance of Remembrance Day and observed a minutes silence while the school flag was at half mast for the day.

Sharks!
Today our year 4-6 students took part in a video conference ‘Tracking Sharks’, with marine biologist from Macquarie University, Kate Lee. Kate’s research looks at marine protected areas and how they’re contributing to conserving wobbegong sharks. Students learnt about how researchers track sharks using transmitters and were given information about projects involving reef sharks, white sharks and other species of fish all around Australia.

Workshop Week
In the last week of the school year students will have the opportunity to take part in various art, craft, cooking and sporting activities. If any of our school parents or community would like to assist or share their skills please contact the school.
