Week 7 Term 4
19 November 2014

P&C Cake stall at Nymboida Market
This Sunday the P&C will run the cake stall. Donations of cakes and/or slices would be greatly appreciated. Please contact the school on 66494137 by Friday if you are able to help out.

Workshop Week
In the last week of the school year students will have the opportunity to partake in various art, craft, cooking and sporting activities. If any of our school parents or community would like to assist or share their skills please contact the school.

Big River Public Schools Film Festival
Our year 3-6 students have been working hard making a film for this year’s film festival being held on Wednesday 3rd December. All students will travel by bus to South Grafton High School where our film ‘Little Red’ will be shown alongside other Clarence Valley school productions.

Grafton Pool
Following the film festival students will travel to Grafton Pool for a fun afternoon of swimming and sliding. A sausage sizzle will also be provided.
A permission note will be sent home with further details.

Active After School Communities
Next week our Active After School Communities program will come to an end. We would like to thank our current AASC coaches Mark, Jenny and Sara, and all past coaches who have contributed to this program. Through gala days and weekly sports sessions AASC has enabled our students to participate in a variety of sports and activities that would otherwise be unavailable. Orienteering is one example of new skills our students have developed.
Next year a new program ‘Sporting Schools’ is being launched by the Australian Sports Commission. Further details will be provided to schools in 2015 with the program planned to commence for participating schools in Term 3.

Evaluation Survey
Today each student will bring home a learning and school culture survey. We would appreciate parents taking the time to complete the surveys and return by Friday 28th November. Students who return completed surveys will receive an icy pole.
