This will be the final newsletter for Term 1. Any important notices will be sent home next week as needed. Please note the last day of Term 1 is next Friday 11th April.

Cross Country
The Nymboida Public School Cross Country event will be held tomorrow, Thursday 3rd April. This will involve all students running a course around the school grounds, with distance dependent on age. Please ensure all students are in suitable shoes. All interested primary students (8-12yrs) who have successfully completed the course will then have the opportunity to compete at the Small Schools Cross Country being held in Grafton on Monday 7th April. Notes have been sent home for return by this Friday, for students who feel confident to compete at the next level. Students have been practicing in the lead up to tomorrow’s event.

P&C Market Stall
Thank you to Jenny, Mark, Viola and Lilith for running the coffee and cake stall at the Nymboida Markets. Thank you to those who donated cakes to sell. $100 was raised on the day.

Student Banking
There will be NO student banking next week, Thursday 10th April. Student banking will resume in week 1 Term 2.

Responsible Pet Ownership
On April 1st, 2014 we learnt about how to take care of our pets when a Responsible Pet Ownership worker came to Nymboida Public School. The lady’s name was Gina and the dog was Tessa. Tessa is a working dog. We learnt that we should ask someone before patting their dog and that scared dogs can be dangerous. My favourite part of the presentation was when we got to pat Tessa. By Bridie Graham
Thank you to Gina and Tessa for your informative presentation. This year Denham the dog was having a rest at home.

ANZAC Day - Friday 25th April
This year ANZAC Day will fall during the school holidays. The school will participate in the 11.00am march and service being held in South Grafton. It would be great to see as many students as possible joining Miss Dalgliesh to commemorate this special day. Please advise via the attached note if you will be participating.

Connected classroom
On Monday 31st March year 3-6 students enjoyed a video link with Taronga Zoo in Sydney to learn about fish and marine sustainability. It was a very interesting and engaging lesson. Next Thursday 10th April the connected classroom will be in use again for CYBERSMART – lets make a better internet. Year 4-6 students will be participating.

Big appetites
A large number of students have been regularly complaining about feeling hungry after eating all of the food in their lunch boxes. Please discuss this with your child and send extra food if required.

Congratulations to our award winners Kaitlynne, Bridie and Kasey.

Important Dates
- Thursday 3 Apr: Nymboida Cross Country
- Monday 7 Apr: Small Schools Cross Country
- Friday 11 Apr: Last day Term 1
- Friday 25 Apr: ANZAC March & Service
