Minions are winners!
We are very proud and excited to report that our Jacaranda Float Parade entry won the BEST OVERALL FLOAT trophy! Thank you to our students who took part in the ‘Minion Madness’. You all did a great job as part of the bucket band and you looked fantastic. A special thank you to Bonnie for a huge contribution in helping with decorations and to everyone who arrived early to help get the float ready. Also, the float would not have happened without Rob Blanchard and the Herb Blanchard’s Haulage/Bricks and Pavers truck. Thank you also to our driver Neil for his time and delicate driving skills. We could not have done it without our music teacher and bucket band conductor, Kris Edwards from the Clarence Valley Conservatorium. Thank you Mrs Edwards!

NYMIONS DRUM LIKE CHAMPIONS
By Lilith Campbell and Rollie Burgess
All of us were frightened because there were lots of people along Prince Street on Jacaranda Saturday for the Float Procession but we were also excited as we got onto our float. It was called Minion Madness and looked fantastic with its yellow and purple Minions. Some of us especially loved seeing the motorbike truck and the Jacaranda Queen floats.
We drummed to YMCA, Uptown Funk and Happy with very musical Mrs Edwards. Mrs Butcher, Mrs Dalgliesh, Mrs Hankinson looked a bit weird but we thank them and respect that they all spent their time with us
Lots of happy and smiling spectators waved to us, the colourful NYMIONS, from Nymboida. We happily waved back. It was fun.
The Jacaranda floats are fun for everyone. We hope more schools participate next year.
It was a surprise to all of us when we won the silver and purple trophy for being the best.
Congratulations everyone!

School Bags
We have ordered school bags (with and without logo) for purchase at $38.00 each. The bags will be available at the end of the year. They are a good size and quality designed to last for years.

Do you have a ukulele?
If students have a ukulele available from home they will be able to use them during music lessons (Mondays) over the next few weeks. The school will be purchasing some for use next year.
