Week 9 Term 2
16 June 2015

Athletics
We will be joining Coutts Crossing Public School for our athletics carnival on Thursday 18th June. Students should arrive by 9.00am. Thank you to parents for assisting with transport. Please note this is a school day and students are expected to attend. If you require assistance with transport please contact the school. For those who have not ordered a picnic pack there will be food and drinks available for purchase on the day. The school will be closed as all students and staff will be at the carnival. Good luck to all of our competitors! For students who qualify the Small Schools Athletics Carnival will be held on Thursday 23rd July at Junction Hill.

Grafton Excursion
Next Wednesday, 24th June, the whole school will be treated to a fun day out. The day will include a movie ‘Minions’ at the Saraton Theatre followed by lunch and a game of ten pin bowling. A note has been sent home today with further information.

Kindergarten Dental Check
Kindergarten students are being offered a free dental assessment at school by a Northern NSW Local Health District clinician. The day has been postponed due to our excursion next week. Please return consent forms and a new date will be advised when confirmed.

Healthy Harold
The Life Education van will visit our school on Tuesday 14th July. This is the first day of Term 2 for students. A permission note explaining the program will be sent home next week. A signed note will need to be returned to allow students to participate.

National Consistent Collection of Data
Attached to this newsletter is some information regarding the NCCD for students with a disability. Please note that no action is required by parents, however, if you have any further questions please arrange a time to speak with Mrs Dalgliesh.

Reminders
Please ensure students come to school with warm clothing and hats. Labelling all items will help to identify owners.

Congratulations to Kaitlynne on being awarded a ‘Magic 200 Words’ certificate by Mrs Kowal for her excellent achievements in the sight word program.
